Universal Fit Car Mats

A wide range of stylish car mat sets to suit all budgets.

Manufactured from a wide range of materials including hard wearing plush velour carpet, resilient NBR rubber or automotive carpet.

Protect your vehicle from mud, snow, grass and other causes of stains, which can help keep your car looking great for longer.

Universal Fit Boot Protection

Keep your boot pristine with ease, whether it is a semi tailored PVC, cut to fit rubber or a heavy duty protection mat.

Universal Fit Car Seat Covers.....

Car seat covers designed to suit a wide variety of tastes and budgets.

The EQUIP range includes luxury leather look covers, premium comfort foam covers, a splash of colour with durable cotton covers and quick protect polyester covers.

Pet Travel.....

Keep your pets safe and secure whilst protecting your seats from fur and dirt. Our range includes small pet hammocks to encase the whole rear seat area, back seat protective covers, or boot mattresses to keep fur babies extra comfortable.

Interior

Wheel Trims

Vehicle Lifting

Whether for commercial use or for the home enthusiast, stay safe whilst carrying out under vehicle maintenance.

Our EQUIP range includes a wide selection of vehicle jacks, stands and chocks.

We even have a undercar creeper to make access easier.

Safety & Emergency

Brushes

Experience the latest in water-fed, flow-through brush designs, soft microfibre-noodle brush pads, classic alloy wheel brushes and specialist detailing brushes with our EQUIP brush range.

Every brush has been tested in-house to deliver powerful, reliable cleaning results to leave the entire car clean, shiny and dust free.

Cloths & Chamois

Specially designed for drying and polishing, our broad range of cloths and chamois offers a product for every valeting job.

Genuine chamois leathers, modern premium synthetic chamois, superfine polishing cloths, high grade stockinette and our popular mixed bag of clean rags will clean and dry all cars to a showroom sparkle.

Microfibre Cloths

Our range of microfibre cloths offer the best results in application, buffing, cleaning and drying for each element of the car.

The diamond-weave microfibre gives a clean, shining finish to glass and windscreens, the laser-cut tissue box microfibre ensures you always have a clean and lint-free cloth to hand and our waffle quick drying products absorb liquid and dries the car faster than ever before.

Invest in a dual buffing and finishing cloth for dedicated valeters, to boost the effectivity of all polish and waxes.

Sponges & Pads

Our range of classic sponges, wax polishers and honeycomb upholstery sponges are met with modern cellulose high-foam wash sponges, microfibre wash pads and high-tech waffle sponges in our EQUIP sponge and pad range.

Experience the best results when cleaning and washing the car by choosing the right sponge for the job.

In-Car Entertainment
