# Tetrosyl

## Winter Brands

Tetrosyl has been unfreezing and protecting motorists since the 1950's, with an extensive range of winter car care products. These ranges include all the winter essentials from de-icer, screenwash, antifreeze, scrapers and accessories ranging from wiper blades to snow shovels.

With products and brands to suit every market and budget we continually review our formulations to ensure our products are the safest and most effective on the market. The harsh winters can be totally unpredictable and Tetrosyl's ability to produce and deliver over a million De-icer aerosols and a million litres of screenwash per week puts us in the spotlight when demand is at an all-time peak.

CarPlan is the UK's biggest name in winter motoring, today's range is very comprehensive covering every motorists winter needs with new additions including fragranced screen washes, pre-icers, ice scrapers and snow shovels. CarPlan is always at the cutting edge of new technology with new patented formulas such as Demon Ice, the world's first "2 in 1" ice preventer and de-icer.

Bluecol is the original No 1 Premium Anti-Freeze brand and has cared for and protected engine cooling systems since 1937. Bluecol for many years was the original fill in many makes of vehicles including Jaguar, Rover, Land Rover, Bentley, Hillman, Triumph and MG to name a few as well as most of the major bus companies and commercial truck operators.

Tetrosyl purchased the prestigious brand in 2007 and has continued to bring new and innovative patented formulations to the market to ensure the Bluecol range has a wide variety of cleaning, maintenance and accessory products to meet the needs of all seasons.

The Autochem range is made up of winter essential de-icers, screenwash, anti-freeze and scrapers aimed at the budget conscious without sacrificing on safety or quality.

# Coolants

## Coolant OE 05 – Heavy Duty Antifreeze

- 6,000 Hour Service Life

Meets OEM Requirements:

Cummins CES 14603  
Chrysler MS 9769  
Ford WSS-M 97B51-A1  
JCB STD 00088  
JDM H2 4

MAN B & W List 3.3.7  
MB 325.0  
MTU MTL 5048  
Hybrid Organic Acid  
Technology (HOAT)

Size	Product code
1 L	BHD001
5 L	BHD005

# Winter Essentials

## Extendable Snow Shovel

- Perfect for clearing large amounts of snow quickly and easily
- Lightweight handle extends to create a long handle snow shovel
- Large plastic scoop comes complete with a solid metal edge to prevent deterioration, whilst the D shaped handle and foam grip ensures perfect grip for the user
- Lightweight and compact perfect for storing in the boot of your vehicle for those winter emergencies

**Product code**  
BES000

## Foldable Snow Shovel

- Constructed from solid steel, ideal to use in light or harsh, snowy conditions
- Easy grip handle, lightweight and compact ideal for outdoor excursions
- Steel head can be locked into numerous positions using the simple twist and tighten system, allowing the head to be used as an ice pick or snow shovel
- The handy sized shovel comes complete with storage pouch, perfect for folding away and storing in the boot of your car for use in times of emergency

**Product code**  
BFS000

## Magnetic Frost Protector

- All season durable nylon windscreen protector
- Attaches to any windscreen in seconds
- 7 strong magnets attach to the body work
- Protects from ice, snow, sun, leaves, sap and bird droppings
- Comes complete with storage pouch
- Machine washable

**Product code**  
BWW001

## Bluecol Jump Leads

- Fully insulated clips and cable

Product	Product code
Bluecol Jump Leads 2.5m x 10mm	A92872
Bluecol Boosted Jump Leads 2.5m x 20mm	A92874

## Long Handle Snow Shovel

- Perfect for clearing large amounts of snow off driveways, patios and paths quickly and easily
- Light weight with long metal shaft and D shaped handle ensures perfect grip and handling
- Large plastic scoop comes complete with metal edge to help prevent deterioration allowing you to clear large snow build ups

**Product code**  
BSL000

## Bluecol Snow Socks

- Easy fit, high quality textile snow socks
- Provides added grip on snow and ice
- Ideal for emergency situations
- More effective than show chains or winter tyres in the short term
- Available in 5 different sizes
- All packs come complete with size and fitment guide

Size	Product code
XS	BS5030
S	BS5060
M	BS5070
L	BS5080
XL	BS5090

### Premium Ice Scraper

- Large, robust design
- Ensures long lasting use with a non-flexible handle
- Perfect for removing thick ice and snow from your vehicle without damage
- Ergonomic, padded grip for extra comfort

Product code

SCR009

### Chubby Ice Scraper

- Ergonomic Grip
- High quality silicone blade for removal of water
- Two edges for removing ice
- Comes in a CDU of 20 units

Product code

BBI001

### Snow Brush/Ice Scraper

- Large, robust design
- Ensures long lasting use with a non-flexible handle.
- Perfect for removing thick ice and snow from your vehicle without damage
- Long reach handle for ease of use

Product code

F54985

### Bluecol Rock Salt

- Fast and effective way to clear snow & ice from paths, steps & driveways
- Biodegradable
- Easy to sprinkle
- Stops re-freezing

Product code

BBS200

### Car to Car Jumpstart Charger

- Innovative car to car charger
- Jumpstarts vehicle without the need to open the bonnet
- For use in the 12v cigarette lighter
- Includes 6m of cable
- Starts vehicles in minutes

Product code

BIC000

### Bluecol Essential Winter Power Pack

Pack Contains:

- 1L Bluecol Universal anti-freeze
- 500ml Bluecol de-icer trigger
- 1L Bluecol Sub Zero screenwash
- Highly absorbent de-mister pad
- Bluecol air freshener - New Car Scent

Product code

BWP100

### Bluecol Anti-Mist

- Dramatically improves driving visibility
- Eliminates and prevents the build-up of fog, mist & steam

Size  
250ml

Product code  
BAM250

- Effective down to -15°C

Product code
ACI229

# BLUECOL®

## GET SET FOR WINTER

### 10 Point Check

- 1 Always have De-icer and an ice scraper on hand
- 2 Check Antifreeze level
- 3 Check Wiper Blades & Washer jets
- 4 Top up Screenwash – Appropriate mix to make sure the fluid doesn't freeze.
- 5 Check Tyre depth – Becomes more important in wet conditions
- 6 Lock and door seals – Apply silicone spray/grease to door seals to prevent doors from freezing shut.
- 7 Clean Windscreen inside to increase visibility
- 8 Check your heating and ventilation system is working and air intakes are free of debris
- 9 Always carry a spare bulb kit
- 10 Check the condition of your battery – A weak/very old battery will struggle to start cold engines.
